

The Answer for Restoring OE Braking Performance

Wagner QuickStop[®] brake pads are designed, tested and certified in the USA by Federal-Mogul's OE Engineers. Wagner QuickStop[®] utilizes OE friction formulations and configurations to restore like-new braking performance.

Application-specific shims, chamfers and slots reduce noise causing vibration

OE-matched friction formulations and configurations to restore like-new braking performance

100% OE Post-Curing process ensures optimal friction performance throughout the life of the pad
